Cal OES Activation Status

State Operations Center	Inland Region EOC	Coastal Region EOC	Southern Region EOC
Level 1	Level 1	Level 1	Level 1

Cal OES INLAND REGION

Levee Breach / Evacuations, Kings River Country Club, Kingsburg, Tulare County

On 06/23/17 at 2345 hours, the Cal OES Inland Duty Officer (IDO) advised the California State Warning Center (CSWC) that a levee breach occurred at the Kings River Country Club, Kingsburg, Tulare County.

- High flows into the Kings River resulted in the levee breach.
- The breach was approximately 15 feet wide and 6-8 feet high and there was about 15 feet of standing water on the golf course. As of 0500 hours on 06/24/17 the breach has been secured.
- A second breach was reported as of 0430 hours on 06/24/17, adjacent to the first breach and approximately 40 feet in width, with flood depths ranging from 1 to 10 feet.
- The water is threatening approximately 90 homes around the golf course, and 300 people.
- 7 single family homes and 18 RVs have been damaged.
- A community meeting was held on 06/25/17 at 1200 hours, at the Kings River Country Club.

Flood Fight

- Eight hand crews are on scene to assist with flood fight operations.
- A total of 110 response personnel are on-scene on 24-hour shifts.
- 1000 super sacks have been delivered to the Incident Command Post (ICP) staging area.
- An additional 8000 are being purchased and are estimated to be delivered by 06/29/17.
- A California National Guard (CNG) helicopter arrived on site to assist with moving product to repair the breach in the levee.
- On 06/25/17, 21 super sacks were placed to repair the levee breach; completion estimated to take several days.
- A contractor took over placing super sacks at 1100 hours on 06/26/17. At 1544 hours approximately 90-100 super sacks have been placed.
- [Handcrews are continuing to fill sandbags, with a goal to fill 20,000 bags for ongoing use.](#)
- On 06/26/17, Tulare County reported a 3-foot drop in river levels due to reduced releases from Pine Flat Reservoir.

Deployments

- 1 Cal OES Inland Region Emergency Services Coordinator (ESC) to Tulare County EOC.
- 1 Cal OES Fire and Rescue Assistant Chief to ICP.
- 1 DWR Flood Fight Specialist to Tulare County EOC / Scene.

SITUATION SUMMARY

Cal OES INLAND REGION (continued)

Missions

- **2017-INLAND-36683:** Four CAL FIRE Golf Strike Team (two hand crews each) and one CAL FIRE Agency Rep for flood-fighting activities in Tulare County. (On-Scene)
 - On 06/26/17, 14 CDCR officers were added that are on scene supervising the inmate crews.
- **2017-IREOC-36699:** Two Department of Water Resource (DWR) Agency Representatives, one to Cal OES Inland REOC and one to the Tulare County EOC / Scene, Farmersville, Tulare County. (On-Scene) (one DWR rep demobilized from the Inland REOC on 6/25/17)

Proclamations

- On 06/24/17, a Proclamation was received from Tulare County with no requests for State assistance.

EOC Activations

- Cal OES Inland REOC deactivated on 06/26/17 at 1724 hours and returned to duty officer status.
- Tulare County EOC activated to Level 1 with an daily operational period of 0800-1900.

Mandatory Evacuations

- Per the Cal OES Law Enforcement Duty Officer (LDO), Mandatory Evacuations were issued for a 1-1 ½ mile area and 90 homes within the Kings River County Club on the Kings River that is effecting approximately 300 people.
 - Residents have been directed to the existing shelter at Reedley High School in Fresno County.

Shelters

- American Red Cross Shelter: Reedley High School, 740 W. North Ave, Reedley.
 - Population: At this time, none of the evacuees from Kings River are using the Reedley Shelter.

Road Closure

- Per the Cal OES LDO on Saturday 06/24/17 at 1144 hours:
 - State Route (SR) 201 route is closed from 1.9 miles north to 2.9 miles north of the Fresno / Tulare County Line due to flooding.
 - Roads 24 and 36 in the area of Kings River Country Club.

River Conditions

- On 06/26/17 at 1600 hours flows from Pine Flat Reservoir were decreased to 12,200 cfs.
 - DWR Flood Operation Center (FOC) staff and Pine Flat Reservoir operators are in coordination regarding anticipated river flows and are briefed on the levee breach downstream.

SITUATION SUMMARY

Cal OES INLAND REGION (continued)

Flooding / Evacuations, Riverland Resort, Kingsburg, Tulare County

On 06/18/17 at 1000 hours, Riverland Resort in Kingsburg, Tulare County experienced out-of bank flooding along a non-leveed area of the Kings River. Riverland Resort is a recreational park with cabins, apartments, RV sites and amenities available for rent. The flooding is a result of Pine Flat Reservoir releases increasing through the end of June.

- The Kings River Conservation District has initiated 24 hour monitoring of this area.
- On 06/23/17 at 1404 hours, the National Weather Service (NWS) Hanford issued a Flood Warning through 06/26/17 at 1400 hours, for snowmelt in northwestern Tulare County. Releases from Pine Flat Dam are expected to increase through the weekend. Locations below Pine Flat Dam are expected to experience additional flooding.

Evacuations

Per the Cal OES Law Duty Officer (LDO) on 06/20/17 at 0846 hours:

- On 06/19/17, Tulare County issued a mandatory evacuation order for the Riverland RV and Campground.
 - Approximately 300 people have been evacuated from the resort.
- On 06/21/17, Fresno County Sheriff is advising that they have Deputies stationed at the Riverbend Trailer Park.
 - There are 43 residents who evacuated.
 - There were 13 residents who remained in their houses.

Shelters

American Red Cross Shelter: Reedley High School, 740 W. North Ave, Reedley

- Midnight Count: 7 residents.
- See 2017 Statewide Winter Storms Slides

SITUATION SUMMARY

Cal OES COASTAL REGION

Drinking Water Notice, San Juan Bautista, San Benito County

On 06/21/17, the City of San Juan Bautista issued a drinking water notice to residents as a result of high nitrate levels in water samples tested 06/20/17. Per the Cal OES Coastal Region Duty Officer (CDO) and the State Water Resources Control Board (SWRCB) Drinking Water Program Duty Officer (DWP-DO):

- All residents are advised not to drink tap water.
 - Bottled water is available at City Hall to those who are susceptible to high nitrates.
 - The Fire Department is providing water to residents at no cost via a reverse osmosis machine at their Fire Station on 2nd St.
 - 1 of the City's 2 wells is affected and both wells feed into the same main water line.
 - The affected well remained offline until 06/22/17 while residents were being notified.
 - Due to the current heat wave the affected well was needed to keep up with demand.
 - On 06/24/17, the Cal OES CDO advises that this incident is expected to last approximately 6 weeks.
 - There are no requests for State assistance.
-
- See 2017 Statewide Winter Storms Slides

Cal OES SOUTHERN REGION

Two Rail Car Derailment, SPILL: 17-3670, Bloomington, San Bernardino County

On 06/26/17 at 2034 hours the California State Warning Center (CSWC) received a report from Union Pacific Rail Road (UPRR) advising that two railcars that were loaded with lumber derailed upright during humping operations.

- There was no hazardous release and no injuries to crew.
 - Crews will re-rail today.
 - CSWC personnel performed notifications per Hazmat SOP.
-
- See 2017 Statewide Winter Storms Slides

SITUATION SUMMARY

2017 Statewide Winter Storms

EMAC and Public Assistance - 2017 Winter Storms

Cal OES Recovery Division identified the need for Public Assistance subject matter experts to assist with the aftermath of the 2017 Severe Winter Storms. Accordingly, Cal OES requested assistance from other states through the Emergency Management Assistance Compact (EMAC) - the Nation's mutual-aid system. New Jersey and Colorado provided personnel that arrived on Monday, 06/13/17. Both states along with other potential states will be providing support between now and the beginning of September at various Joint Field Offices throughout California. The goal is to assist those impacted counties in identifying disaster related damage and program eligibility.

- See Cal OES Mission Tasking slide for Mission Tasking information

Cal OES Coastal Region

Paul's Slide, State Route 1, Monterey County

Per Cal OES Coastal Duty Officer (CDO), as of 1300 hours on 05/25/17, Paul's Slide on State Route 1 has been closed to all traffic.

- Caltrans engineers report slide activity and the area has been closed in the interest of public safety.
- Assessment will commence and further details will be provided once released.

Mud Creek Slide, State Route 1, Monterey County

The Mud Creek area on State Route 1 sustained a major slide on the evening of 05/20/17, when over a million tons of rock and dirt fell down the slope continuing down to the ocean floor 250 feet off the shoreline.

- The Mud Creek area is ¼ mile in length, made up of five slides, four of which fell during this single incident and consolidated into one slide. The remaining slide now extends 1,500 feet in length over State Route 1 and is about 35 to 40 feet deep.
- Roadwork at Mud Creek was suspended and heavy equipment removed due to the threat of new slides and for safety of highway workers. Caltrans geologists and engineers plan to assess it further when this area stabilizes.
- Estimated opening date is 06/01/18.

Pfeiffer Bridge Incident, Monterey County

California Highway Patrol (CHP) and Caltrans had a hard closure on the Pfeiffer Bridge on HWY 1 at mile marker 45.52 (SB Sycamore Canyon and the Bridge) due to a crack in the bridge. The bridge has been demolished so the road is closed and estimates for some access from the north is late September 2017.

- Backup air medical transport plans have been developed for medical emergencies through Cal OES Law Enforcement Branch.
- All businesses north of the Pfeiffer Canyon Bridge closure are open to the public.
- Caltrans will continue the process of delivering construction materials and equipment to the site of the demolished bridge on HWY 1 via Nacimiento-Fergusson Road from Hwy 101 on Tuesday, 06/20/17.
- Some equipment will begin moving out one piece at a time throughout the week. These convoys of equipment will be escorted by CHP.

SITUATION SUMMARY

2017 Statewide Winter Storms

Cal OES Inland Region

River Forecast - The following rivers are forecast to meet or exceed Monitor Stage:

- Alpine County: East Fork Carson River at Markleeville
- Stanislaus County: Tuolumne River at Modesto

Please see link for River Forecast Guidance - <http://www.cnrfc.noaa.gov/>

Cal OES Southern Region

River Forecast - The following river is forecast to meet or exceed Flood Stage:

- Mono County: West Walker River at Highway 395 below Little Walker is forecast to exceed flood stage at 6.0 feet and up to 6.1 feet through the morning of 06/28/17.
 - At 6.0 feet, some minor flooding of lowlands, pastures and rural roads.

Please see link for River Forecast Guidance - <http://www.cnrfc.noaa.gov/>

Jurisdiction: State DPA, SRA, CALFIRE San Luis Obispo Unit

Start Time: 1526 hours 06/26/17

ICP: 6140 Parkhill Road, Santa Margarita

Per ICS-209 and Cal OES Fire Duty Officer (FDO) as of 06/27/17 at 0017 hours:

- 1500 acres brush, 5 % contained
- [Expected Containment: 06/30/17](#)
- CAL FIRE Agency Rep assigned
- Commitment of CALFIRE air resources
- There are no requests for state assistance at this time.

EOC Activations

- San Luis Obispo County EOC deactivated and resumed duty officer status at 2044 hours on 06/26/17

Deployments

- Cal OES Fire Region 1 Assistant Chief assigned
- 1 Cal OES MIGU Unit
- 1 Cal OES Type III S/T assigned

FIRE ACTIVITY

Hill, Vegetation Fire, San Luis Obispo County (Cont.)

Evacuations

- Mandatory evacuation orders have been issued for:
 - Black Mountain Road, Blue Road, Blue Ridge Road, to Shooting Star.
 - Parkhill Road east of Oak Canyon including La Entrada, Stagecoach Canyon Road to Huer Huero Road. North of Parkhill Road to Wilson Creek Road, Katakreek Road, Golden Pond Way, Random Canyon Way to Horseshow Canyon Road.
 - Approximately 75-80 homes impacted

Evacuation Shelter

- American Red Cross (ARC), Santa Margarita Elementary, 22070 H Street, Santa Margarita, San Luis Obispo County.
 - [Population: 7, as of 2100 hours on 06/26/17](#)
- There are no Access and Functional Needs (AFN) unmet at this time.

Road Closures (Map Attached)

- Hwy 58 at Park Hill Rd.
- Hwy 58 at Huer Huero.
- Huer Huero at Park Hill Rd.

Utilities

- As of 2105 hours on 06/26/17, per California Utilities Emergency Association (CUEA):
 - [2 poles were damaged, no access to repair at this time.](#)
 - [180 plus customers were without power.](#)
 - [There is no threat to transmission lines only distribution lines have been impacted.](#)
 - [Crews have worked to restore customers services through back ties.](#)

FIRE ACTIVITY

Placerita, Vegetation Fire, Los Angeles County

Location: Highway 14 at Placerita Canyon Road

Jurisdiction: Local DPA, SRA, Contract County

Start Time: 06/25/17 at 1247 hours

Per ICS-209, CALFIRE and the Cal OES Fire Duty Officer (FDO) as of 06/26/17 at 1800 hours:

- 760 acres, 75% contained
- Expected Containment: 06/27/17
- Acreage reduced due to accurate mapping
- Forward progress has been stopped
- The areas of evacuation were allowed to reoccupy at 2200 hours on 06/25/17
- Cal OES Region 1 Fire and Rescue Assistant Chief committed
- CALFIRE air and ground resources committed
- FMAG application submitted and placed on hold
- 1 movie structure and 2 movie props destroyed, 1 bridge damaged
- Continued impact to surrounding communities, utility infrastructures, major transportation corridors and commercial properties
- 26 Local Government Engines and 4 Water Tenders assigned
- 5 Cal OES Engines assigned

Creek, Vegetation Fire, Fresno County

Location: Los Gatos Creek Rd, 6 miles west of Derrick

Jurisdiction: State DPA, SRA, Fresno-Kings Unit

Start Time: 06/23/17 at 1600 hours

Per ICS-209, CAL Fire and the Cal OES FDO as of 06/26/17 at 0548 hours:

- 357 acres, 65% contained
- Expected Containment: 06/28/17
- 1 single residence and 3 minor structure destroyed
- Structure threats have been mitigated

Holcomb, Vegetation Fire, San Bernardino County

Location: Highway 18 x Holcomb Valley Rd, east of Big Bear Lake

Jurisdiction: Federal DPA, FRA, San Bernardino National Forest

Start Time: 06/19/17 at 1505 hours

Per ICS-209, CAL FIRE and the Cal OES Fire Duty Officer (FDO) as of 06/26/17 at 1745 hours:

- 1,503 acres, 93% Contained
- Expected Containment: 06/27/2017
- Type-2 Incident Management Team (IMT)
- 6 single residential and 1 commercial structures threatened

WEATHER SYNOPSIS BY REGION

NORTHERN CALIFORNIA

*** Isolated Afternoon and Evening Thunderstorms Over the Northern Mountains Today ***

A low pressure trough will be over the region and the west coast through today, then move east. Temperatures will be closer to normal and humidity will be higher than in recent days.

Isolated afternoon and evening thunderstorms are expected in the far northern areas today. These storms will produce rainfall, with a direct hit producing 0.25-0.50 inches. Afternoon South-West winds will gust to 25 mph in many areas today, and 25-35 mph gusts are expected from the Cascade-Sierra crest east. The winds will be about 10 mph lighter today.

Tomorrow will be a bit drier and warmer as high pressure begins to build in from the west. Thursday through Sunday will be warm and dry, with northerly downslope surface winds during the weekend. Temperatures will be 5-10 degrees above normal.

SOUTHERN CALIFORNIA

Cooler weather expected by mid-week

Windy and dry across the deserts during the afternoon and evening hours through Today

High pressure over the Desert Southwest will weaken as a trough moves across the Pacific Northwest and Northern California during the next few days. It should turn noticeably cooler and more humid with high temperatures dropping to near normal levels by mid-week, however, less cooling will occur across the eastern deserts. The marine layer will begin to deepen along the coast with night and morning low clouds and fog spreading into the coastal valleys by tomorrow. Strong westerly winds will continue across the desert areas each afternoon and evening through mid-week before diminishing Thursday and Friday. After temperatures bottom out tomorrow, a slight warming trend will begin, but temperatures should remain near normal over most of the area through next weekend.
